Recommendations and tips

Seating

Round or rectangular table?

Allegra is always equipped with round 8-seater tables. In all the other rooms we ask for a surcharge of CHF 50 for preparing each round table. If you would also like chair covers for the round tables, we charge a flat fee of CHF 120 per table arrangement (CHF 200 per arrangement on La Bellazza terrace).

Alternatively we can offer angled blocks for 8 persons or long tables (no supplement).

Chair covers

To finish up the festive table decoration, we can offer chair covers. You can hire white chair covers for all rooms from CHF 10 each.

Flower decoration

Do you have any special requests? Let us know in good time: we can order suitable flowers for you from our in-house florist. Our charges are based on the cost.

Candle decorations

Candlelight creates a very special atmosphere. In the evening all tables are decorated with candles. Special candle decorations, such as 5-piece candelabra, can be rented from CHF 15 each.

Place cards

Would you like to seat your guests according to place cards? Ask us for a table plan and write the names on it. Please sort the cards you have created according to tables and send them to us by the day before the event at the latest.

Hotel UTO KULM prints your place cards for CHF 2 each.

Special trains

Welcome your guests at the main station and enjoy a journey to Uetliberg in your own special train. The SZU team will be pleased to advise you on your outward or return journey after midnight.
