Supporting programmes

Supporting programmes available and include initial ideas through to organisation and implementation.

We can provide all the services you need for your event from the same source. Whether for private or business purposes, we organise team-building events for you such as the Uetliberg Challenge with "Tower Action" or seasonal specials like our Christmas game.

Thanks to our exclusive collaboration with our partner company **Kreaktiv Events**, we are able to organise our events at the most beautiful locations around the Uetliberg and throughout Switzerland.

Let us surprise you with our programmes - contact us for individual and tailor-made events. Tell us what you want and we will make it happen.
